(NEW) CYBER
WORKSHOPS

OCT. 15 | **SALT LAKE CITY, UTAH**
OCT. 17 | **DENVER, COLORADO**

CREATE an *operational technology* (OT) cybersecurity strategy. **UNDERSTAND** the *threats* faced by operation networks and how to *protect* against them. **LEARN** how designing a network with *resiliency* improves operational *efficiency* and minimizes *risk*.

8:30 – **Introductions**
9:00 – **Cyber Briefing:**
　　　　　Industrial Attacks and Threats
10:00 – **Cyber Design:**
　　　　　Hardened, Segmented Networks
11:30 – **Risk Assessment:**
　　　　　Where & How To Begin?
12:00 – **Lunch / Q&A**
